### **West Federation CHRIE Annual Conference, Denver, CO**

I'd like to personally welcome each of you to the *2018 West Federation CHRIE Conference*. We are so excited to have you here in Denver for what promises to be our best and most memorable conference yet! We have packed the next couple of days with a variety of educational opportunities.

Here's an idea of what you can expect over the next few days... To begin with, we will host a Thursday evening reception for early arrivals at 5:30 p.m. This will be followed by a visit to the Rhien Haus restaurant for dinner, beer and bocce. There is a second dinner planned for Friday at the 1515 Restaurant where we will have a wine and food pairing with Michael David Winery for the very reasonable price of \$55+.

A snap shot of what will be happening during the conference starts with three technology-based symposiums on Friday. There will be industry panel sessions on Friday and Saturday prior to lunch. On Friday and Saturday afternoons, there will be a variety of beverage seminars and tastings. And most importantly? Our research presentations and workshops! In all, we have scheduled 28 paper presentations, nine poster presentations, three 50-minute sessions and two speed stand-up presentations. Also, plan to indulge in a variety of entries and vote for your favorite taste during our student cake and ice cream competition!

Aside from these great educational opportunities, we know conferences are a wonderful opportunity for networking and reconnecting with old friends and colleagues. With that, I would like to issue a challenge to *all* of our attendees. Try to meet and connect with 10 *new* people. Whether you're a veteran or a first-time conference attendee, extend the warm welcome of hospitality to someone outside your circle...

Thank you to each of you for attending and bringing your expertise to this gathering. You – as hospitality students, educators and leaders – have the vision, knowledge, wherewithal and experience to help us to continue to grow as a federation. Now, enjoy the conference!

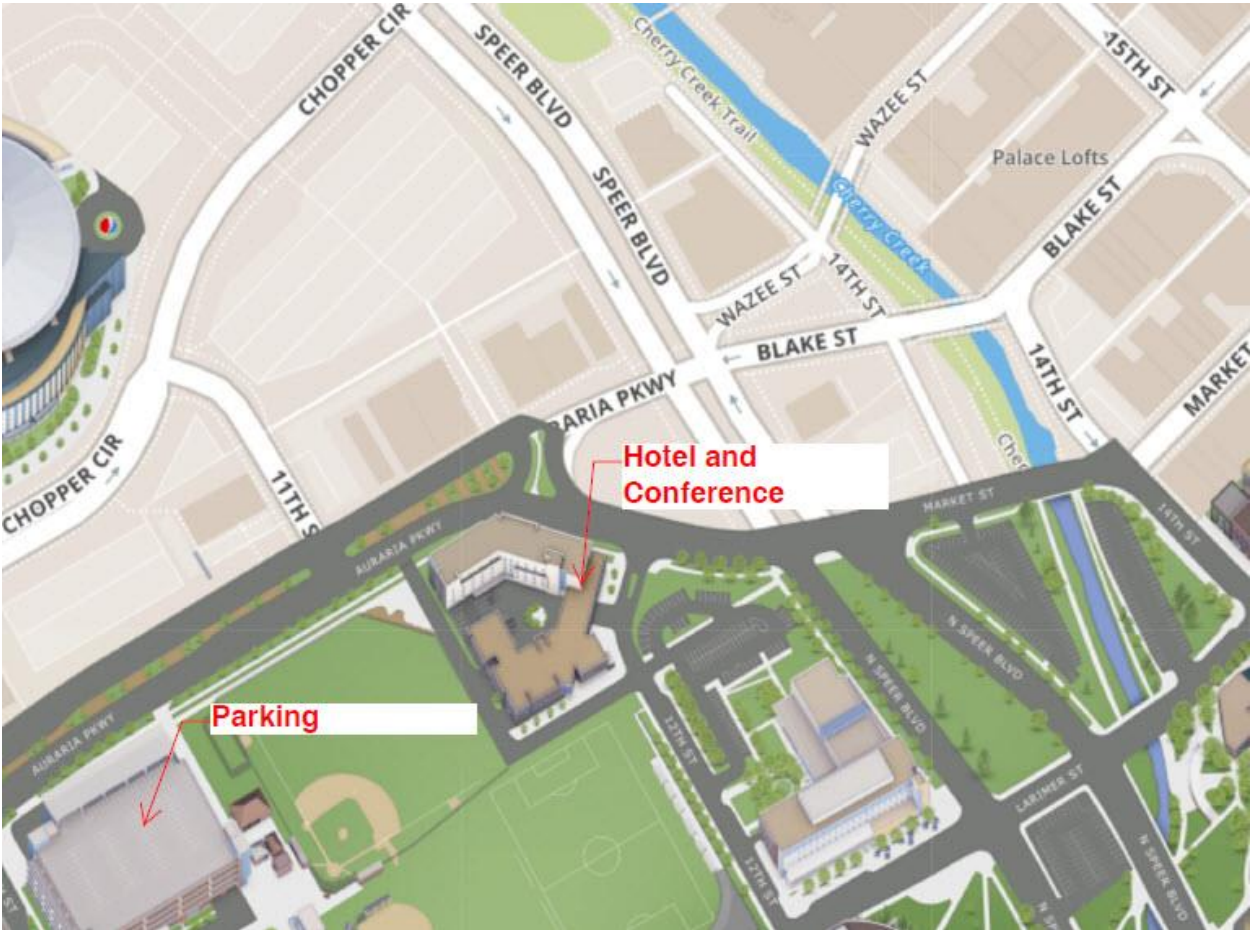

Sincerely,

**Scott R. Smith**

*West Federation CHRIE President*
